Jazzy Toes for Little Boys and Girls

April 23rd, 2008

Cute socks aren't just for baby girls anymore! A company called Jazzy Toes (www.jazzytoes.com) is changing the way baby toes are clothed. From little boys' wingtip socks to cowboy (and cowgirl) socks, this is one sole-ful company. The socks are pinch-proof, and that makes everybody happy. Jazzy Toes also sells Buskins shoes (originally from Australia) in cute and sassy styles like the pink Amanda with lime-colored flower. Sweeet.
